Hello All,

May I have you all send me your list of priorities for **June 8th - July 3rd (3rd of July is a city holiday)**. For those of you with ABH's please be sure to give me days and hot spots for each day in the ABH zone and let me know if you want to split the week between the ABH Zone on certain days and the rest of the district on other days? If you have locations that need to be scheduled weekly please note that and I will also leave room for emergency or urgent locations that pop up in your office.

As of right now we are NOT doing any posted clean ups; we must make sure that we have storage for personal bulky items and a mechanism for retrieval before that can happen. If you have large encampments please note they will be scheduled as the only location that day. I am trying to cut down on uncompleted locations.

**Please send locations in the order you want them scheduled and designate CARE or CARE+ and provide full physical addresses and photos for correct processing. I can provide your latest AMS or MYLA311 List if requested.**

PS

We are still dealing with the COVID-19 pandemic (as well as other issues) and this has impacted our services as you can imagine; however we will do our best to service your locations. Thank you for your patience and understanding during this most trying time.
